

ACCESSORIES

15" STURDY WRENCH EXTENDER

Break Loose Stubborn Fasteners

KEY BENEFITS

- ✓ Turns your regular wrench into a high-torque breaker bar.
- ✓ Durable Chrome Vanadium steel construction built for heavy use.
- ✓ Ergonomic handle profile for a comfortable, secure grip under load.
- ✓ Designed to cradle wrenches up to 30 mm or 1-1/4", metric and SAE.

BUILT FOR

- ✓ Wheel alignments, suspension, and steering components that won't budge.
- ✓ Engine and chassis fasteners tucked in tight spots where extra reach helps.
- ✓ Mechanics and DIYers who are tired of "wrench-on-wrench" cheater bar tricks.

15-INCH LENGTH

EXTRA TORQUE

15" STURDY WRENCH EXTENDER

KEY SPECIFICATIONS

Length & Reach

- › Overall length: 15 inches (approx. 38 cm).
- › Adds about 12" of effective handle length to most wrenches for extra leverage.

Compatibility

- › Fits most open-end and combination wrenches up to 30 mm or 1-1/4".
- › Works with both metric and SAE wrench sizes.

Construction & Finish

- › Made from durable Chrome Vanadium steel for high-torque applications.
- › Polished finish for easy wipe-down after use.

Handle Design

- › Ergonomic contoured handle for a secure, comfortable grip.
- › V-notch cradle designed to lock onto wrench heads and reduce slippage.

ADDITIONAL INFORMATION

Package Contents

- ✓ 1x 15" Wrench Extender

Specifications

MATERIAL:	Chrome Vanadium (Cr-V)
WEIGHT:	500 g
PACKAGED PRODUCT DIMENSIONS:	6.73" x 1.77" x 1.57"
COUNTRY OF ORIGIN:	Taiwan

WHERE IT EXCELS

High-Torque Jobs

- › Breaking loose rusted or over-torqued fasteners without resorting to unsafe cheater bars.
- › Ideal for suspension, steering, brake, and wheel alignment work.

Access, Control & Safety

- › Adds reach when fasteners are recessed.
- › Lets you keep a controlled grip and angle.
- › Reduces the risk of slipping.

WHY A WRENCH EXTENDER VS. "WRENCH-ON-WRENCH"?

- ✓ Designed to cradle the wrench head securely for better control and less slip.
- ✓ Protects your wrenches from bending and damage caused by improvised leverage.
- ✓ Gives predictable, repeatable leverage without cobbling tools together.

WARRANTY & SUPPORT

- › Limited Lifetime Warranty
- › 100% Satisfaction Guarantee
- › support@olsatools.com
